### U. S. Watching Red Moves

WASHINGTON, May 4 (AP)—President Eisenhower outlined today a "wait and see" policy for dealing with Communist China on a possible cease-fire in the Formosa Strait region.

The President also told a news conference this country has no present intention of stationing big or permanent land forces on Formosa to help Generalissimo Chiang Kai-shek defend that Chinese Nationalist stronghold.

And he said he expected the Chinese Reds to provide ample clues as to their intentions if they strike at the offshore islands of Matsu and Quemoy. This country has indicated its readiness to defend those islands if the Reds attack them as a prelude to moving against Formosa.

Eisenhower was brief and almost casual in his discussion of the Pacific situation. His manner as much as his words suggested he may regard the tension there as having relaxed somewhat in recent days.

Eisenhower also was asked how he would go about distinguishing a "local" attack on Quemoy or Matsu from one that was aimed at capturing Formosa.

His answer: If the Communists attacked with a strength "far in excess" of what was needed for a local attack, then it would be fair to assume the onslaught "had a broader purpose."

Besides, the President added, the Chinese Communists never have talked about taking the islands for their own sake, but have consistently declared their intention of capturing Formosa.

### MIGs Attack Chiang Planes

TAIPEI, Formosa, Thursday, May 5 (AP)—Communist jet fighters yesterday challenged Nationalist planes for the first time in the Matsu area, underscoring reports of an ominous Red air buildup on Formosa's approaches.

The Chinese air force said four MIGs attacked four propeller planes which were on patrol off the coast 50 miles north of the Matsu Islands and about 150 miles north of Formosa.

A communiqué reported the four Nationalist planes—presumably single-seat fighters—returned undamaged. No damage to the MIGs was claimed.

Other Nationalist planes attacked five small gunboats in Amoy harbor across Formosa Strait. The air force said one of the gunboats was set afire and two others were damaged. The gunboats were 300 to 400 tonners.

The big news, however, was the appearance so near Formosa of the fast Communist jet fighters of the type that fought in the Korean War.

It was possible they came from a new air base at Lukiao, described as the largest and best in all Red China. Lukiao is 200 miles north of the Matsus.

The air force said the air battle lasted two minutes.

### Infant Almost Strangles On Wad Of Gum Placed In Her Mouth By Young Boy

EAST STROUDSBURG police ran into their second case in as many days of youngsters being harmed by older children yesterday when a three-week-old girl nearly strangled on a wad of gum placed in her mouth by an unidentified young boy.

The mother of Mr. and Mrs. Donald Clifton, Judith Ann Clifton, daughter of Brown St., East Stroudsburg, was in good condition following speedy treatment at the General Hospital yesterday.

Police said the incident occurred about 3:15 p. m. in front of a food store on S. Courtland St. Judith Ann had been left in a stroller "not over five minutes" by her mother while she went into the store to buy some bread, according to the report.

The police spokesman told The Record that clerks in the store had noticed a young boy attempting to chew a full pack of gum in front of the store. "He had disappeared when the lady went out to find her child strangled," commented the officer. The gum chewer was described to have been between "two and three years old."

The police statement disclosed the Clifton child had been treated at the scene and taken to the hospital by Dr. R. Frederick Jones. Dr. Jones said the baby apparently choked on the gum. He stated: "There must have been just enough to block the trachea. Afterward, she must have coughed and swallowed the gum."

The doctor said he expected the child would be released from the hospital in a few days. "We got her all cleaned out and don't anticipate any further difficulty," Dr. Jones explained.

Quick said one of the boys was said to have been seen in the vicinity of the crime immediately after by a playmate of the burned girl. When questioned about it, the youngster told police he went there thinking the girls had lost some money and were looking for it.

General Hospital described Miss Ludwig's condition as "still fair" last night. Dr. Claus Jordan, who is treating her, said she suffered second degree burns of the neck, chest and upper arms. "Otherwise she is fairly good," he added.

The doctor said he could not tell yet about the internal condition of the child and indicated that skin grafting may be necessary. Dr. Jordan told The Record that Betty would likely be in the hospital for "several weeks."

The incident happened Tuesday at 6:15 p. m. behind the East Stroudsburg Methodist Church. The Ludwig girl, who is the daughter of Mrs. Jean Ludwig, 35 S. Courtland St., East Stroudsburg, was struck by a pack of flaming book-matches thrown by a young boy, police said. The flames caused her dress to catch fire, resulting in the severe burns.

Officer Quick said the dress was

### Annich Charge Investigated

HARRISBURG, May 4 (AP)—Pennsylvania's state police commissioner stood pat today awaiting further details on reported "political pressure" being used to affect the removal of the commander of the Bethlehem barracks.

Capt. Norman E. Annich, veteran state police officer, was reported to have made a public statement in Easton Monday claiming "soreheads" in his troop are "using political pressure" to have him removed.

Col. Earl Henry, when told of the public statement by a reporter, said he, as state police commissioner, knew "nothing of any political influence being brought to bear."

"In fact," he told a newsman later at his Harrisburg headquarters, "I certainly know of no political influence being brought to bear to have Annich or any other man in the force removed or transferred."

Annich was quoted as telling a safety conference that the efforts to have him removed, in part, dealt with the fact that he "was against fixes for traffic tickets."

### Budget Inquiry Comes Under GOP Attack

HARRISBURG, May 4 (AP)—Rep. Albert W. Johnson (R-McKean) said today the Democratic-controlled House Appropriations Committee is seeking to justify the size of the Commonwealth's proposed budget rather than look for economies.

The House assistant Republican leader also said he opposed lumping together appropriations for state-aided hospitals and homes as proposed by Gov. George M. Leader in his \$1,800,000,000 budget.

"I got the distinct impression that the purpose of the committee hearing on the Welfare Department budget was to substantiate it," he told a newsman. "The committee should be looking for economies."

Chairman J. Dean Polen (D—Washington) said Johnson and other Republicans will be given "every opportunity" to pinpoint economies in the budget.

At the close of today's hearing on the more than 600 million dollars asked for the Public Instruction Department, Polen left the impression that he might support increases if justified.

"The purpose of our committee is to determine the inadequacies as well as the adequacies of the budget," he explained.

Meanwhile, a verbal tiff between Sen. James H. Duff (R—Pa.) and the governor took on new proportions with Duff declaring voters are being "hoodwinked and faked" by the 411 million dollar classified income tax program.

"With a magnifying glass, I can find no trace either of economy in government or of an intention to keep the promises held out to the people of Pennsylvania on the basis of which he is presumed to have been elected," Duff said from Washington.

Leader last night said Duff took credit for a host of Commonwealth improvements but failed to provide a tax program to pay for them.

### Voluntary Distribution Preferred

WASHINGTON, May 4 (AP)—President Eisenhower proposed today, if necessary, to buy all commercial output of the Salk polio vaccine.

Th told his news conference:

"There will never be a child in the United States denied this emergency protection for want of ability to pay. Of that we are absolutely certain."

"It is going to be distributed equitably to every state in the union."

Eisenhower made those two flat pledges in person. A little later at the White House, Press Secretary James C. Hagerty issued a statement saying:

"The President believes the voluntary system for distribution is the best and quickest way of providing a fair and equitable allocation of the vaccine to the states."

"The President, however, believes that no child in this country, because of inability to pay for inoculations or because of maldistribution of the supply available, should be deprived of the vaccine."

"If a situation ever develops in this country where children are deprived of the vaccine because of inability to pay or maldistribution of the supply available, the President would immediately ask the Congress of the United States for authority to permit the secretary of health, education and welfare to buy the entire output of the vaccine, other than that already allocated to the National Foundation for Infantile Paralysis."

"The department in turn would be in a position to distribute free of cost to the states their allotted share of the vaccine over an emergency period."

The foundation is now providing free vaccine for the mass inoculations in the schools, beginning with first and second graders. Other youngsters are getting shots as the supply permits.

Hagerty said the White House expanded on the President's remarks, to include the pledge that no child shall be denied the protection because of faulty distribution.

He emphasized to reporters that the suggestion of the government taking over all output not allocated to the foundation was based on the possibility of an emergency he said has not yet developed.

Eisenhower repeated his preference for voluntary control measures in the face of a growing demand in Congress for some federal policing controls. He said he believed a system worked out by the health, Education and Welfare Department will provide vaccine by Aug. 1 for all children aged 5-9.

Under this system, an advisory committee sets allocations for each state and the companies making the vaccine agree to follow the allocations.

"We believe," Eisenhower said, "that the system we have just laid out is the very best plan for getting this to the children in the quickest possible time and on the most equitable basis, because, in the long run, the states must enter this problem in some way or other. There is no other way to devise the machinery."

He said that if inequities developed within a state, the people there would take care of the matter.

In other polio developments:

1. The Public Health Service said it has reports of 33 children coming down with polio after being inoculated. 29 of them with vaccine made by the Cutter Laboratories of Berkeley, Calif., and four with vaccine made by the Eli Lilly Co., of Indianapolis. The service said there are a number of additional suspected cases. Unused Cutter vaccine has been withdrawn pending an investigation.

2. Rep. Spence (D-Ky.), chairman of the House Banking Committee, said his committee would take testimony Friday on the question of allocating the vaccine, from Surgeon General Leonard A. Scheele.

3. Dr. Hart Van Riper, medical director of the National Foundation for Infantile Paralysis, said in New York he is confident that the foundation is getting all of the vaccine produced, and released by the National Institute of Health.

Dr. Van Riper said he was baffled by reports that 10 million shots apparently disappeared. The reports, printed in Scripps-Howard newspapers, said the vaccine "may be lost only on paper."

Eisenhower told questioners he did not believe any black market in the vaccine had developed, nor any racketeering in distribution.

### Howe Charges Wallpack Dam Would Adversely Affect Economy Of Pike County

MILFORD—Arthur B. Howe, president of the Pike County Association yesterday questioned a recent statement by Francis A. Pitkin, chairman of the State Planning Board that a reservoir dam a Wallpack Bend on Delaware River would create new values more important than farm lands flooded by the dam.

Mr. Howe specifically cited flooding of farm lands that are now heavy producers and valuable to the economy of Pike County. One farm alone, he advises Pitkin, produces more than all New Jersey farms bordering the Delaware from Milford Bridge down to Wallpack Bend at Bushkill.

Loss of Route 209 to Pike's resort industry and the impossibility of developing the lake made by the dam because of sheer cliffs on the Pennsylvania side of the river are also listed as objectionable characteristic to the Wallpack Bend dam being of any economic value to the region.

In his challenge, Mr. Howe says: "Representatives of Incoel have had meetings in Milford and in this area. Newspapers have reported the Act passed by the New Jersey legislators and it is our understanding that it is our understanding."

Mr. Howe challenges this recent Pitkin statement:

"Construction of the Wallpack Bend reservoir would flood out some very beautiful farm land but the owners of those farms would be paid a very fair value on the property taken, and it would be in the public interest to do it because it would create new values even more important to the economy of Pennsylvania than the farm lands that would be flooded."

In his challenge, Mr. Howe says: "Representatives of Incoel have had meetings in Milford and in this area. Newspapers have reported the Act passed by the New Jersey legislators and it is our understanding that it is our understanding."

Dr. Noonan Testifies Against Move To Reduce Number Of Teachers Colleges In State

HARRISBURG, May 4 (AP)—The House Appropriations Committee was told today that a 2½ million dollar budget increase for Pennsylvania's 14 state teachers' colleges was needed to expand facilities.

"Of all the teachers graduated from the state's 14 teacher colleges, about 80 per cent find their careers teaching in Pennsylvania's public schools," said Dr. Joseph Noonan, of East Stroudsburg, representing the state teachers' college presidents.

The budget lists an allocation of 15½ millions for these colleges. The entire education budget amounts to \$23½ million dollars, a boost of 116½ millions from the current two-year fiscal period ending May 31.

Dr. Ralph Swan, acting superintendent of public instruction, said 88 per cent of the education budget is for obligations passed by previous legislatures.

They represent, he said, the "barest minimum."

Dr. Noonan, president of East Stroudsburg State Teachers' College, opposed any idea of reducing the number of teacher colleges as first proposed by the Chesterman Committee two years ago.

"In the long run this would cost more money, I think, and would not accomplish as much as we now are accomplishing in the 14 schools," Dr. Noonan said.

This is what it will mean for the Allied forces:

Tricet economy is the order of the day. No more castles on the Rhine for Allied high-ups. The allies dependents already have lost some occupation frills, such as vast numbers of cheap domestic servants.

Allied troops in general will be required to observe German law. The Allied courts that tried their various nationals for offenses have faded out. Military offenses will still be tried by courts-martial, but the soldiers will be liable to civil suits in connection with road accidents and similar matters. The soldiers also can be sued for maintenance of illegitimate children born after sovereignty. They previously were immune from such suits, although there were 100,000 such children.

He said that if inequities developed within a state, the people there would take care of the matter.

In other polio developments:

1. The Public Health Service said it has reports of 33 children coming down with polio after being inoculated. 29 of them with vaccine made by the Cutter Laboratories of Berkeley, Calif., and four with vaccine made by the Eli Lilly Co., of Indianapolis. Eisenhower told questioners he did not believe any black market in the vaccine had developed, nor any racketeering in distribution.

A reporter cited this statement, together with a White House announcement last week that the First Lady has not yet recovered fully from an illness, as reasons for bringing up the subject. The newsman, CBS' Charles Von Fremd, offered apologies for asking a question of so personal a nature.

Eisenhower listened intently, arms folded. Then he replied: "Well, I think it is a legitimate question."

And he went on to say Mrs. Eisenhower's health for the past two years has "probably been better than normal"—better, that is, than over the past 10 years.

"She did have a very serious virus infection a good many weeks ago," the President said, "and it seemed impossible for her to throw it off."

"She also has an allergy to some of these drugs that some of the rest of us can take without any great difficulty, and it has been a real problem for the doctors to bring her back to her accustomed state of health."

Eisenhower added that this "spring difficulty" had affected "a number of my other friends," too.

### Empowers President To Cut Tariffs

WASHINGTON, May 4 (AP) The Senate tonight overwhelmingly passed President Eisenhower's foreign trade bill, empowering him to cut American tariffs to spur world commerce.

Approval came on a 75-13 roll call vote.

It was a big victory for the President on what he has called a key measure in the effort to bolster the free world against communism. The Senate beat back several attempts to alter the legislation from the floor.

The bill now goes to conference with the House but the President is assured of success on these major provisions since they have been approved by both branches:

1. An extension of the 21-year-old reciprocal trade agreements law for slightly more than three years, to June 30, 1958. The present act expires June 12 this year.

2. New power to cut tariffs 15 per cent in three successive 5 per cent steps over the extension period. He may use these to win trade concessions from other nations.

This marks the first extension of the law by as much as three years since 1945. It also gives the President new tariff-cutting powers for the first time in 10 years.

The Senate rejected a number of amendments both to add new restrictions to the bill and to liberalize it. They included an attempt by Sen. O'Mahoney (D-Wyo.), to require congressional approval of all trade agreements before they could take effect. This was beaten on a voice vote.

Rejection on a 73-13 rollcall was an amendment by Sen. Morse (D-Ore.) under which either House of Congress could veto a trade agreement.

The Senate also turned down 67-21 an amendment by Sen. Douglas (D-Ill.) to strike from the bill provisions broadening the escape clause under which industries may seek relief from increased imports.

Sen. Malone (R-Nev.) offered two last gap amendments but both were shouted down. One would have extended the act for only one year, to June 12, 1956. The other would have limited the President's power to negotiate trade pacts to Western Hemisphere nations only.

The Senate was in session a little more than 12 hours today to finish up work on the bill. In all, it defeated 11 amendments and adopted only the one minor clarifying language change.

Sen. Byrd (D-Va.), chairman of the Finance Committee and floor manager for the bill, and Sen. Millikin (R-Colo.), senior Republican on the committee, easily controlled enough votes to turn back any major floor alterations.

# Monroe County Jewish Appeal Opens Tonight

THE MONROE County Jewish Appeal gets officially under way tonight at 7 at Davids' Hotel, Marshalls Creek with a "kick-off dinner."

Sam P. Block, chairman of the local UJA, last night urged all Monroe County residents to support the 1955 drive.

"Just 10 years ago Europe's surviving Jews were being released from Nazi tyranny by Allied liberating forces," Block noted. "UJA then began a great program of reconstruction."

"This year," Block said, "redoubled effort will be needed to guarantee the continuance of the vital programs undertaken by UJA — while there is still time."

Time is an important factor, Block continued, in the rebuilding of Israel as a nation and in the movement of 30,000 Jewish men, women and children, who have asked to be taken away from tension-ridden North Africa.

## Elks To Vote On Candidates

## College Paper Selects Riley For Award

JIM RILEY, sports editor of The Daily Record, has been chosen to receive the Stroud Courier award. The award is the student newspaper on campus at State Teachers College. The award is a newly-created, annual citation to the person who has done the most outstanding job in the field of communication during the past year. Riley has given active support to athletics at the local college over a period of many years. Through coverage of college events in the columns of this newspaper, he has helped to stimulate and maintain an interest on the part of the community and the student body alike.

His sports news coverage extends to each of Monroe County's eight high schools and to the dozens of seasonal activities during the year. He is the writer of a daily column, to be found in The Daily Record's sports pages.

Appropriately enough, it's called "The Life of Riley." The Courier award will be presented to Riley at the annual Stroud Courier banquet, Saturday, May 14 at the Penn-Stroud Hotel.

## County C. D. To Map Plans

THE MONROE COUNTY Civil Defense organization has called a meeting of directors and key personnel to be held tonight at 7:30 in CD headquarters in the Court-house. The announcement was made yesterday by Executive Director Paul Crawn.

This meeting will be a general planning session. It is designed to explore various developments and methods of training in various fields of rescue training, radiological decontamination, Civil Defense in schools, radio and communications programs, ground observer work, and mobilization of all CD forces for a possible alert.

"It is very important that all township and zone directors be fully represented at this meeting," commented Crawn.

## Deed For School Property Transferred To Diocese

THE DEED TO A 21-acre tract in Paradise Township which may one day be the site of a Catholic elementary-high school building was filed yesterday at the Court House.

Placed on record at the office of Floyd Butz, register and recorder, the deed showed transfer of the tract by Mr. and Mrs. Graham Andoe of Paradise to Most Rev. Jerome D. Hannan, Roman Catholic bishop, Diocese of Scranton in trust for the congregation of St. Mary of the Mount Church.

The deed specifies that land granted shall be used for construction of a school building.

Other deeds filed showed the following property transfers:

Mrs. Martha N. Geissinger, Stroudsburg, has transferred a property on W. Main St., that borough to Morris N. Geissinger, same address.

William Chatten Wetherill, Laverock, Pa., has sold a tract in Chestnut Hill Township to the Pohopline Fish Association.

Mr. and Mrs. Austin Coco, Pocono Township transferred a lot on Route 611 in Pocono, to Mr. and Mrs. Jack M. Vinyard, same address. The Vinyards, in turn, transferred title to two lots in Pocono Township along Route 611 to Eugene J. Schlanger, Scranton.

Mrs. Olive L. Smith, a widow, Bradley E. Smith and Geraldine Smith, both unmarried, all of Stroudsburg, and Mr. and Mrs. William Jenkins, Scranton, have transferred a lot on the LaAnna-Mountainhome road in Coolbaugh.

# Four-Hour Parking Meters Are Considered For Sarah Street

## New Traffic Signals Set For 5th St.

STROUDSBURG Council last night opened a study on installation of four-hour parking meters on Sarah St. to provide a longer parking period as a means of relieving the current parking problem for longer shopping periods and for use by others compelled to transact business for more than the existing two-hour period.

Sarah St. is equipped now with some 95 two-hour meters which means that a shopper or anyone transacting business must break off to return to renew the meter time. With a four-hour meter two times would permit uninterrupted parking for the car owner.

An informal price sought last week was received here yesterday indicating expense of change-over would amount to about \$20 a meter.

Receipt of an official permit from State Highway Department for a new system of traffic lights for the five-way intersection at 5th and Main St. resulted in authorization to purchase \$165 worth of new lights.

Engineered by the Riegelmeyer Traffic Service, Harrisburg traffic engineers, the new system will be closely synchronized to permit two lanes of traffic on Main St. at Fifth, both east and west bound. Basic aim of the system is to permit freer flow of traffic on Main St. It will require removal of at least two parking meters on the south side of Main St. near the McFarland store and about two on the northwest corner, near the Gulf station.

Left turns will be permitted on Main only while the traffic signals permit flow of traffic east and west.

Major problem to be faced is the heavy flow of traffic on Fifth St. bridge. This work is expected to be completed for a reopening in two weeks or so.

Well agreed to pay a portion of cost of extending the bridge contract from the bridge to Main St. on the east side of the bridge entrance at a cost of \$108. Remainder of the cost—about \$9 a foot—is being paid by the state.

A letter from J. L. Keelin, secretary of Chamber of Commerce to reconsider two lanes of traffic during Fridays, Saturdays and Sundays on S. Seventh St. erection of suitable signs to direct traffic off Foxtown Hill to the new Fifth St. Bridge for Routes 90 and 209, and to consider four-hour meters on Sarah St. and a Parking Authority.

Signs have already been authorized to direct traffic to the Fifth St. Bridge for Routes 90 and 209. Council decided to wait and see how much relief is gained on Seventh St. from the opening of Fifth St. bridge before eliminating S. Seventh St. meters for two-lane travel. A proposal to eliminate parking on the east side of Main St. from Fifth to State Bridge was delayed until study can be made of traffic off the new Bridge to Main St.

## Council Bans Outside Burning In District Bounded By Ann, Sarah, Fifth, Eighth Sts.

AN ORDINANCE prohibiting outside burning at any time in an area bounded by Ann and Sarah Sts. and by Fifth and Eighth Sts. was adopted last night by Stroudsburg Council.

The area involved is listed by the National Board of Fire Underwriters as the "high value" and high fire potential district of Stroudsburg.

The ordinance also prohibits burning refuse on any street or sidewalk.

It permits burning elsewhere in the borough from sunrise to sunset, provided the material being burned is in a container or incinerator no closer to any building than 15 feet and also provided the container is covered with a wire

screen with mesh no larger than a half inch. Penalty fixed by the ordinance can run up to \$100.

Council also decided to draw an ordinance prohibiting dogs and cats from running freely in the borough unless they are under adequate control. It will provide that animals so picked up by police be removed to suitable pound or boarding place with the owner paying the boarding fee and a fine with costs.

An ordinance establishing grades, widths of street and curbs and gutters on Phillips St. from Lindbergh Ave. to N. Eighth St., and Wallace St. from Brown St. to the borough line was adopted.

Solicitor George T. Robinson

was authorized to prepare an ordinance for curbs and gutters on Wallace St. from Scott to Brown.

Council will meet in special session later to discuss plans for taking over all the responsibility for operating the Stroudsburg Playground and swimming pool.

Part of that responsibility now rests with Stroudsburg School District.

Samuel Lee, chairman of the playground committee, advised council last night that with Stroudsburg now part of a union district this arrangement will be ended.

The borough has paid all expenses of the playground operation except for about \$800.

## County Home Nursing Staff Too Small, Says Grand Jury

NURSING FACILITIES at Monroe County Home are "grossly understaffed," the grand jury reported yesterday.

Jurors completed their tour of inspection of county-owned buildings shortly before noon. They turned in their report to Judge Clarence Byde in the Main Court Room.

The jury made its comment on County Home nursing facilities in the course of a report which made a series of seven recommendations.

The report said help at the home was "insufficient." The jury report said a "male attendant and an extra nurse could be used" and pointed out that "nursing (is) grossly understaffed."

Grand jurors called for a complete check on insurance on all county buildings, both personal and real estate. They made the recommendation "in regard to increased value" the report said.

The report noted that there are "no women's quarters" at the county jail and said the jury "recommends something be done."

The jurors also called for replacement of glass in the laundry windows at the County Home.

The jury recommended that "walls and ceilings in the main corridors, stairways, law library, Grand Jury Room and general interior of the Court House be cleaned, patched and painted" and "attention be given to maintenance

## Newspapers, TV Show Ad Gains In First Quarter

NEW YORK, May 4 (AP)—National advertising volume during the year's first quarter showed an increase of 12 per cent over the first three months of 1954, Printers' Ink will report in this week's issue.

The publication said network television set the pace with a gain of 36 per cent from last year's March quarter, and newspapers followed with a jump of 15 per cent. Network TV and newspapers also recorded the best advances in March compared with March, 1954, the magazine said.

The report also noted that there are "no women's quarters" at the county jail and said the jury "recommends something be done."

The jurors also called for replacement of glass in the laundry windows at the County Home.

The jury recommended that "walls and ceilings in the main corridors, stairways, law library, Grand Jury Room and general interior of the Court House be cleaned, patched and painted" and "attention be given to maintenance

to interior and exterior in general."

Jurors recommended that fire extinguishers in all county-owned buildings be inspected.

The report calls on county commissioners to "check availability of fire protection for county records."

## Bangor Board Elects Teachers

BANGOR — The Bangor Area Joint School Committee appointed two new teachers and gave approval of final plans and specifications for a new cafeteria at its regular meeting last night.

Edwin D. Miller, a native of New York state and graduate of NYU, was hired as an industrial arts teacher at a salary of \$3,200 a year. Charles M. Sandwich Jr., Easton, was hired as the ninth grade science teacher at a salary of \$3,400. Sandwich has been serving as a substitute teacher at Bangor High School.

The board authorized the committee secretary to advertise for bids on general construction, plumbing, electrical wiring and heating in approving the cafeteria plans.

Kansas College recently learned that 800 of the 3,848 men students on its campus are married.

DR. HAROLD S. Pond will be out of town, April 28, through May 5, inclusive.

Discharged Mrs. Lillian Ruck and daughter.

## Two Churches To Erect Additions

Bartonsville—Both local churches were given permission to start plans for the building of additional Sunday school rooms that are necessitated because of a considerable increase in attendance at the Wesley Chapel Methodist and St. John's Lutheran church schools.

The "go ahead" was sanctioned for Wesley Chapel at the quarterly conference of the Tannersville Methodist Charge, which was held at the Reiders Methodist Church, and permission was granted for the submission of plans for consideration and the appointment of a building committee.

At St. John's congregational meeting was held following worship services. Lay-president Mary Alleger presided and it was voted to proceed with plans for Sunday school rooms as suggested by the Crusader Class. Miss Alleger approved a building committee as follows: Chairman, Floyd Cyphers; Harold Sprague, Donald Hariman and Crusader President Beatrice Swink.

Funeral services will be held Saturday at 2 p.m. at the Dunkerberger & Westbrook funeral home with Rev. William F. Wunder officiating.

Interment will be in Stroudsburg Cemetery. Friends and relatives may pay their respects by attending the viewing Friday night after 7. The Elks memorial service will be held Friday at 8 p.m.

White said Jollowsky informed him that one of the caps caught fire when a workman was doing some cutting work on a frame. "They tried to get it out themselves but had to call us when they couldn't do it," White concluded.

White said there was very little loss since all the cars had been part of a junk lot and added that even the tires had been removed.

The chief said his company made no effort to stop the blaze but stood for three hours to prevent any damage to nearby buildings or land. "We had the lines all out and hooked up for use but didn't need them," commented White.

The fire leader said he did not instruct his men to attempt to extinguish the fire due to its strong start and the fact it would have been a difficult job to get it all out since it would have meant battling individual fires in each vehicle. "It was all out but a few minor smoldering when we left," stated White.

## Victor Austin, 57, Owner Of Grand Theatre, Dies After Four-Month Illness

VICTOR AUSTIN, 57, the owner of the Grand Theater in East Stroudsburg, died at his home at 150 Ridgeway St., East Stroudsburg yesterday at 3 p.m. He had been in failing health for the past four months.

Austin built the Grand Opera House in East Stroudsburg in 1919 which later burned down. He constructed the Grand Theater on the same site.

A son of the late John Austin, he moved to Monroe County immediately after World War I. He had served in the U. S. Army during the war.

Austin was a member of the BPOE of Philadelphia, George N. Kemp Post 346 of the American Legion, and the Stroudsburg Eagles.

Surviving are his wife Daisy, at home; one stepson, Frank W. Meyers, East Stroudsburg; and three sisters, Mrs. Frank Workman, Lincoln City, Del.; Mrs. Jennie Kline and Miss Nettie Austin, both of Philadelphia.

Funeral services will be held Saturday at 2 p.m. at the Dunkerberger & Westbrook funeral home with Rev. William F. Wunder officiating.

Interment will be in Stroudsburg Cemetery. Friends and relatives may pay their respects by attending the viewing Friday night after 7. The Elks memorial service will be held Friday at 8 p.m.

## Trial Court To Convene Next Monday

TRIAL COURT will be in session beginning at 9:30 a.m. Monday, District Attorney Elmer Christine said yesterday.

President Judge Fred W. Davis is expected to return from Las Vegas, Nev. in time for opening of trial court.

Judge Davis, who is Civil Defense director in Monroe County, has been in Nevada the past two weeks where he is one of a group of CD officials, Congressmen and Army officers waiting to witness an atomic device explosion.

The A-blast has been postponed repeatedly, day after day, forcing Judge Davis to also postpone his trial court.

During Judge Davis' absence, Judge Clarence Bodie presided in Monroe County Court this week. Court was recessed until Monday morning yesterday after the grand jury returned its report.

White said there was very little loss since all the cars had been part of a junk lot and added that even the tires had been removed.

The chief said his company made no effort to stop the blaze but stood for three hours to prevent any damage to nearby buildings or land. "We had the lines all out and hooked up for use but didn't need them," commented White.

The fire leader said he did not instruct his men to attempt to extinguish the fire due to its strong start and the fact it would have been a difficult job to get it all out since it would have meant battling individual fires in each vehicle. "It was all out but a few minor smoldering when we left," stated White.

White said Jollowsky informed him that one of the caps caught fire when a workman was doing some cutting work on a frame. "They tried to get it out themselves but had to call us when they couldn't do it," White concluded.

## Gideons Seek Funds To Buy More Bibles

THE GIDEONS of the Stroudsburg have announced Sunday, June 5 as Gideon Field and Rally Day for this area. The event will be preceded by a Gideon Fellowship banquet at the Penn Stroud Hotel Saturday, June 4 at 6:30 p.m.

The local unit of the Gideons International expects that more than 100 people from the local sector and visitors will attend the banquet. A special program is being prepared for the occasion. Complimentary tickets will be mailed out in the near future.

Some 40 to 50 churches will participate in the field and rally day. The main aim of this affair is to seek ways and means of raising funds to purchase Bibles for distribution throughout Monroe County and surrounding areas. All church pastors are being contacted concerning the drive for funds.

The Stroudsburg Gideons have been unable to meet the demands of the hotels, motels and other tourist places due to lack of funds for obtaining a large stock. The Bibles are distributed free of charge to the various rooming places.

The local camp has been active in handing out Gideon Testaments to servicemen inducted from this area as well as Youth Testaments to the public schools wherever possible.

## State Group Plans Tour Of Region

THE COMMUNITY Development Committee of the Pennsylvania State Chamber of Commerce will conduct its fourth annual progress tour through the Poconos and other parts of northeastern Pennsylvania on May 15 and 16, it was announced yesterday by W. P. Schenck, secretary of the committee. Various officials from throughout the area will take part.

The principle objective of the tour is to inspire the communities to take a more active interest in their growth and development and to learn what has been done to ward the economic stability of certain areas of the Commonwealth.

A visit to the anthracite area and Scranton will be among the features of the event. The 1955 tour is designed to show participants what has been done and what is planned toward improving the economy of the district. The Scranton area will be cited as evidence of a community's ability to lift itself by its own bootstraps.

The program calls for all participants to assemble at Pocono Manor on Sunday afternoon, May 15. A reception will be held at 6 p.m. through the courtesy of the Pennsylvania Power and Light Co. Dinner is scheduled for 7. Various exhibits of industrial and promotional material will be displayed in the hotel lobby. The exhibits will be sponsored by local chambers in the area.

The tour will get underway Monday, May 16, following a 7:30 a.m. breakfast at the Manor. The tour will be by chartered buses.

A one-hour tour of the Tobyhanna Signal Depot, under the direction of Col. Alfred H. Anderson, commanding officer, will be the first on the Monday schedule. The depot is the largest signal equipment unit in the world.

The second visit of the morning will be at the Daystrom Instrument plant, Archbald. This firm is engaged in highly sensitive electronics production.

The tour resumes at 1:30 with a swing south of Scranton featuring brief visits to the Federal Pacific Electric Co., W. L. Maxson Co., and General Electric Co. included. Also to be seen are the Scranton-Wilkes-Barre Airport, one of the nation's largest, several new houses.

## Death Claims Mrs. Hovell Of Blakeslee

MRS. MARY Shallow Hovell, 60, died at 10:30 a.m. yesterday at Craig Meadow.

Born in Bristol she had lived the past 12 years at Blakeslee. She is survived by her husband, Theodore Hovell.

Funeral services will be held Sunday at 1:30 p.m. at Kresge funeral home, Brodheadsville. Interment will be made in Blakeslee Cemetery.

ing projects, many new industrial sites with all facilities, and a view of construction on the Northeast Extension of the Pennsylvania Turnpike.

Buses will depart for the return trip to Pocono Manor at 3:30. The tour will come to a close shortly after arrival at the Manor.

FASHIONS CHANGE, and the fact is dramatically demonstrated by the models at the Y-Gradale meeting this week in their show "Fashions Through the Years." From left to right: Mrs. Arthur Henning, Mrs. Roy Heller, Mrs. Gail Fegley, Mrs. Stanley Grace, Mrs. Jacob Fisher, Mrs. Russell Scheller, and Mrs. Robert Shaw.

### Mother-Daughter Tea Held By Y-Gradale

The annual Mother-Daughter Tea of the Y-Gradale Sorority was held in the Stroudsburg Presbyterian Church with a large attendance of mothers and guests. Prima, Mrs. Russell Scheller, presided and the Scripture was read by Mrs. Gail Fegley and the prayer by Mrs. Franklin Clifton.

Report was made of the rummage sale scheduled for Muransky's May 6 and 7. A district Y-Gradale Rally will be held at Kutztown, on Sunday, May 15. The Stroudsburg Gradale will be in charge of the induction service at the rally. The report of the state convention was given by Mrs. Jack Luckey. It was held in Harrisburg, April 28, 29.

Mrs. Scheller will be the official Pennsylvania Y-Gradale delegate to the international convention in Paris in June. Mrs. Al Zateeny reported for the nominating committee.

The social part of the meeting was in charge of Mrs. Arthur Henning. Al DeRenzi played two piano numbers: "The Balade in G Minor" by Chopin, "Beautiful Night" by Debussy. The second part of the program was a fashion show, featuring clothes dating from 1900 to the present. With each fashion, Mrs. Henning gave a resume of the news of that era.

Models were: Mrs. Arthur Henning, Mrs. Russell Scheller, Mrs. Roy Heller, Mrs. Jacob Fisher, Mrs. Robert Shaw, Mrs. Stanley Grace, Mrs. Gail Fegley.

Mrs. Nelson Beers presided at the tea table which had a centerpiece of Spring flowers. Refreshments were served by Mrs. Grace, Mrs. Robert Lawson, Mrs. Jack Luckey, Mrs. John Manzie, Mrs. Robert Shaw, Mrs. Irving Somers.

### Birthdays Celebrated By PO of A.

Mountainhome — Members of Camp 241, P. O. of A. who had birthdays in January, February or March were honored at the meeting of the lodge with Mrs. Emma Dean presiding.

Entertainment was provided by Dolly Price's nieces and nephews: Karen Metzgar, guitar; Shirley Metzgar, piano; and Earl Wilmer Metzgar, guitar. The youngsters played and sang "I Couldn't Believe It Was True," "Do, Lord, Remember Me," "Low and Lonely," "If I Never Get to Heaven," "Chentin Heart" and other solo numbers ending with a "Happy Birthday" with all three singing. Further entertainment was provided by Sue Price with Isabelle Price winning the prize. Ruth Everett, Julia Hay and Helen Clark were honored with birthday gifts.

The following members were present: Emma Dean, Mae McKinney, Dolly Price, Eleanor Cole, Lucille Bridge, Verna Siglin, Sue Price, Sadie Ppdmore, Jean Oppelt, Irene Siglin, Julia Hay, Addie Rake, Rhoda Sommers, Ruth Everett, Eva Engler, Verna Mortimer, Carolyn Siglin, Beulah Siglin, Isabelle Price, Helen Clark, Hettie Bush and Gladys Cairney.

### Just Between Us

—By Bobby Westbrook

Whatever your personal worries or problems, they didn't seem to matter much yesterday, did they? We may hold ourselves superior to the elements, but actually our mood depends a great deal on temperature and atmospheric conditions. And yesterday both were just right.

Maybe that's why the students all seemed so brilliant at the Future Teachers meeting at the college last night, though maybe they're always that way.

Maybe that's why the news seemed so particularly interesting. The baby showers came as real news to me, the engagement announcements seemed very right, and the programs especially well-planned. The only trouble was that there were too many of them.

Maybe I forget how hectic things were last Spring, but this is really the newest Spring I remember, ever. Like having your choice of too many desserts, it's a perplexing but fascinating problem in space relationships.

Time relationships, too, get pretty complicated. Somehow the warm weather is here before the storm windows are down or the screen doors up, and it seems impossible to separate life cool air and the insect. It comes filled with.

Well, let's not complain about a super-abundance of blessings but enjoy them all, even with bugs.

### Presbyterial Of Co. Draws 125 Women

The annual County Presbyterian meeting of the five Monroe County Presbyterian Women's Auxiliaries, held in the Middle Smithfield Church, the night of May 3, called together 125 women. After a piano prelude by Mrs. Marie LeBar of Shawnee church, Mrs. Franklin Hallett, president of the host auxiliary, welcomed the guests. Mrs. Gordon Coy, president of the Stroudsburg Auxiliary, was unable to be present and Mrs. John P. Sinclair took her place in leading the devotions.

With Mrs. Marie LeBar accompanying them, Mrs. Polly Hope and Mrs. Peggy Kulp of Shawnee church sang a duet. Mrs. Elwood Grant, of the East Stroudsburg Auxiliary, presented the speaker Mrs. James Wright, who with her husband, returns to the mission field at Ponte Nova, Brazil, June 16. Mrs. Wright (the former Alma Cole of East Stroudsburg) told of several of the young women who had chosen to follow Christ despite much opposition, and showed film slides that made her Brazil home and work very real to the conference.

Miss Nellie Burd, of Delaware Water Gap Auxiliary, led in offertory prayer and the presidents of the Water Gap and the Middle Smithfield Auxiliaries, Mrs. George Hauser and Mrs. Franklin Hallett, received the offering, which was presented to Mrs. Wright.

A second vocal duet by Mrs. Hope and Mrs. Kulp and the benediction by Mrs. Francis Drake of the Water Gap Auxiliary closed the program.

The guests enjoyed looking at the two large class rooms and two lavatories added to the church and the large new auditorium, which was lighted by tall candles in the many windows. There refreshments, decorated sandwiches, stuffed celery, pickles, fruit-punch, were served by the Middle Smithfield members. The refreshment committee was Mrs. Mahlon Hallett, Miss Ruth A. Miller, Mrs. Franklin Hallett, Mrs. Wendell Wicks, Mrs. Carl Vaughn, Mrs. Ray Mosier with Mrs. Irvin Smith as chairman. The men of the church were credited with the decorations of massed pink and white dogwood.

Delaware Water Gap Presbyterian Church will be the host church next spring.

### Doris Snyder Is Honored At Bridal Shower

A surprise bridal shower in honor of Miss Doris Snyder Snyder, of Stroudsburg, RD 3, was given by Miss Janet Snyder of Massapequa, L. I., N. Y., who will be her maid of honor when she is married in late June to Ralph Stampone of Plainfield, N. Y.

The party was held at the home of her sister-in-law Kathryn Snyder, East Stroudsburg. Decorations were all in white with streamers leading from a miniature bride and bridegroom and wedding party to the display of gifts.

The buffet supper table had as its centerpiece a colonial bouquet of American Beauty roses and a cake decorated in pink and white, reading "Best Wishes, Doris."

Guests included Miss Louise Prata, Mrs. Louis Hughes, Mrs. Marilyn Kupiszewski, Mrs. Loreta Gallagher, Miss Rudi Ainspae, Mrs. Jeanne Miller, Mrs. Evelyn Primrose, Mrs. Marion Miller, Mrs. James Cleveland, Mrs. Wanda Phillips, Mrs. Helen Schlough, Mrs. Clarabelle Salathe, Mrs. Leah Snyder, Mrs. Millie Stampone, Mrs. Ruth Albertson, Miss Sarah Snyder, and the hostesses.

Invited but unable to be present were Mrs. Ann Weidman, Mrs. Margaret LaBar, Mrs. Gladys Hamer, Mrs. Lois Swisher, Mrs. Annamarie Hoffstadt, Mrs. Verna LaBar, Mrs. Lucy Karadontes, Mrs. Doris Bush and Mrs. Kathryn DeLuca.

## Crusaders To Sponsor Mother's Day

Bartonsville — Reports were presented on many projects and activities sponsored by the Crusader class of St. John's Lutheran Sunday school when the class met at the parish house on Friday night, April 29. Reports included the proposed Sunday school rooms, furnace, Easter egg hunt and the Easter sunrise service. It was stated that the latter service, which the class has sponsored annually for many years, had been one of the most successful, with about 250 persons attending from all parts of the county, some persons coming from as far away as Pocono Lake, in this county, as well as folks from New York, Bristol and Hattboro. The offering received at the service was given to Lutheran World Action.

Plans were made to again sponsor a Mothers' Day service to be held at the church at 8 p.m., on May 8. Mr. and Mrs. Haviland Heller and Mrs. Verdon Frailey were named program committee and Mrs. Frailey and Mrs. Claude Cyphers were appointed to purchase prizes. These prizes will be given to the oldest and youngest mothers, youngest grand-mother, mother with most children attending with her, mother who had the most children and the mother traveling the longest distance to attend. Joan Spragle and Beverly Hartman were appointed to be ushers for the service. It was decided to follow the usual custom and send the offering received to the Lutheran Home for the Aged in Philadelphia.

Mrs. Joseph Dunbar and Emma Dunbar volunteered to serve at the May meeting of the Junior Crusaders. Other volunteers for coming months would be appreciated.

During the devotional period Mrs. Joseph Dunbar read the scripture lesson. Rev. John B. Bergstresser showed a movie "Outposts in the Andes." This film showed Lutheran missionaries at work in Colombia and other South American countries. Refreshments were served by Mrs. Beatrice Swink and Mrs. Robert Field. Table decorations were mixed spring flowers.

Those attending were Rev. John B. Bergstresser, Mr. and Mrs. Claude Cyphers, Mr. and Mrs. Robert Field, Mrs. Verdon Frailey, Mrs. Joseph Dunbar, Mrs. Russell Bond, Mrs. Beatrice Swink, Emma Dunbar, Haviland Heller, John Field and Robert Swink.

The next meeting of the class will be held at the parish house on May 27. Hostesses will be Ruth and Emma Dunbar.

## Four Parishes Represented At Women's Retreat

"The Day of Recollection," sponsored by the Altar and Rosary Society of St. Matthew's Roman Catholic Church, was held on Sunday, May 1, at "The Villa of Our Lady of the Poconos," operated by the Bernardine Sisters, at Mount Pocono.

Mrs. Adolph Oppel is president of the society. Mrs. William A. Hannas was chairman and Mrs. Walter Gretkowski, co-chairman of arrangements.

In the group were women from the following parishes: St. Matthew's, East Stroudsburg; St. Luke's, Stroudsburg; Our Lady, Queen of Peace, Brodheadsville; and Our Lady of Victory, Tannersville.

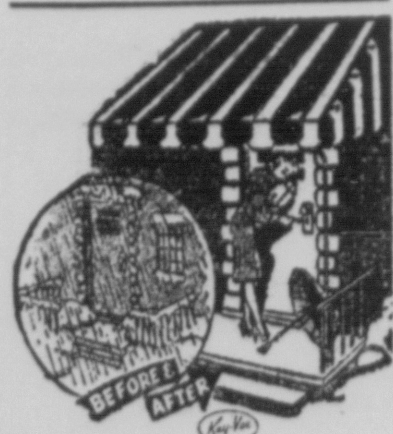

"The Day of Recollection" was conducted by Rev. John P. Sullivan, C.S.S.R., a Redemptorist Father from St. Alphonsus Retreat House, Tobyhanna, who also conducted two conferences.

The women attended mass at 9 a.m. and all received Holy Communion. A Communion breakfast was followed by a conference.

The group walked around the grounds of the Villa and recited the Rosary together. They then said the Stations of the Cross in the chapel.

A luncheon was followed by a second conference. A Holy Hour ended with benediction and the blessing of religious articles.

At the conclusion of the day's program, tea and cookies were served.

## Concert For Pocono Music Boosters

Tannersville — The Music Boosters of Pocono Township School held their final meeting of the current year on Monday, May 2, in the school auditorium. There was a splendid turnout of adults and students for the occasion.

A fine program was presented as follows: the Senior Band played four marches — "Bellance," "Davy Crockett," "Thunderer," "Kick Off." The Junior Band played two selections: Playful Hymn, "Open Up Your Heart and Let the Sunshine In." The chorus gave three numbers — "Oh, What A Beautiful Morning," "I Love Paris in the Spring," "Bells of St. Mary's."

The business meeting following the program was in charge of the president, Verdon Frailey. A report was given by the nominating committee, who presented the following slate of officers for the coming year:

President, Mrs. Joseph Williams; vice president, Mrs. Vincent Marek; secretary, Mrs. Joseph Parsons, treasurer, Henry VanWhy. There being no opposition, the above were declared duly elected.

The group voted to make the dues for the coming year 50c, instead of \$1.00 as heretofore. They also voted to pay for the trousers procured for the Junior Band. The good of the order prize, do-

# Montclair Teachers Decisions ESSTC In Track Meet

## Warriors Suffer Second Straight Loss

MONTCLAIR, N. J.—East Stroudsburg State Teachers College dropped its second straight track meet decision yesterday when the Warriors fell before Montclair Teachers, 76½-49½, here on the losing club's home oval.

ESSTC turned in only four first places in yesterday's meet, two being credited to Howie Staeger, one to Jack Andrews and the other to Roland Alger.

Staeger placed first in both the 100 and 220 yard dashes, while Andrews won the javelin throw. Alger placed first in the javelin event.

Otherwise it was all Montclair, as the Jersey contingent rolled to a comfortable victory after a recent one sided defeat at the hands of West Chester.

The Warriors came up with several second and third place showings, but Montclair swept all three places in four different events, piling up eight points in the one mile run, 120-yard low hurdles, two mile grind and the 120-yard high hurdles.

ESSTC returning to the track wars on Saturday when the Warriors run against Fairleigh-Dickinson College, at Passaic, N. J. This meet is carded for 2 p.m. The Warriors now own a record of one win and two defeats.

Summary follows:

## Dodgers Ride Three Homers To Victory

BROOKLYN, May 4 (AP)—Home runs by Gil Hodges, Duke Snider and Roy Campanella backed up the clutch pitching of Johnny Podres tonight to give the Brooklyn Dodgers a 12-4 victory over the St. Louis Cardinals at Ebbets Field. It was the sixth straight triumph and the 17th in 19 games for the red-hot National League leaders.

Hodges drove one into the lower left field stands in the second inning, with no one on base, for his third home run of the season. Snider's seventh homer over the right field screen in the third and Campanella parked one in the left field stands in the eighth, scoring Pee Wee Reese and Duke Snider ahead of him. It was Campy's fifth.

The Dodger attack made it easy for pitcher Johnny Podres, who found himself often in tight spots but managed to last out the game for his second victory of the season.

He started the game by striking out the side in the first inning but went on to give up nine hits, serving up a pair of home runs balls himself.

Rip Repulski homered in the fourth for two runs, scoring Bill Virdon, who had doubled. Ken Boyer parked one in the lower left field deck starting off the sixth. The Cards added a fourth run in the eighth on Virdon's second double and Red Schoendienst's single.

St. Louis, BROOKLYN, May 4 (AP)—The Dodgers won their fourth straight game, scoring 12 runs, while the Cardinals scored 4, in a game played at Ebbets Field.

Johnny Podres, 23, pitched a complete game, allowing 12 hits and 4 runs, but striking out 10 batters.

Gil Hodges, 33, hit a home run in the second inning, scoring Duke Snider and Roy Campanella.

Duke Snider, 32, hit a home run in the third inning, scoring Hodges and Campanella.

Roy Campanella, 31, hit a home run in the third inning, scoring Snider and Hodges.

Bill Virdon, 30, hit a home run in the eighth inning, scoring Pee Wee Reese and Duke Snider.

Red Schoendienst, 30, hit a home run in the eighth inning, scoring Virdon and Reese.

Johnny Podres, 23, pitched a complete game, allowing 12 hits and 4 runs, but striking out 10 batters.

Gil Hodges, 33, hit a home run in the second inning, scoring Duke Snider and Roy Campanella.

## Gorman's Relief Work Enables Amazing A's To Down Orioles

KANSAS CITY, May 4 (AP)—Relief pitcher Tom Gorman saved the Kansas City Athletics another game today with a scoreless 3-inning stint as the A's defeated Baltimore, 6-5.

Gus Zernial's home run in the fifth was the winning margin.

## Senators Shade Chisox In Thriller, 5-4

CHICAGO, May 4 (AP)—Mickey Vernon of Washington and Bob Nieman of Chicago exchanged three-run homers today, but the Senators stood off a ninth-inning threat to shade the White Sox 5-4.

The Senators moved into the ninth with a 5-4 lead behind Bob Porterfield's steady pitching, but the Washington ace weakened and left it up to Chuck Stobbs to mow down the Sox with two men on and one out.

Vernon and Nieman both poled their homers in the third, Nieman also singled across a fourth run in the eighth to overhaul Vernon in the American League RBI race at 23.

Sox starter Jack Harshman yielded a bases-empty homer by Jim Busby in the second and Vernon's No. 5 circuit wallop.

The Senators picked up their fifth run off Bob Keegan in the eighth on Busby's walk and theft of second, followed by pinchhitter Ernie Oravez's single.

Washington, CHICAGO, May 4 (AP)—The Senators won their fourth straight game, scoring 5 runs, while the White Sox scored 4, in a game played at Griffith Stadium.

Jack Harshman, 23, pitched a complete game, allowing 12 hits and 4 runs, but striking out 10 batters.

Gil Hodges, 33, hit a home run in the second inning, scoring Duke Snider and Roy Campanella.

Duke Snider, 32, hit a home run in the third inning, scoring Hodges and Campanella.

Roy Campanella, 31, hit a home run in the third inning, scoring Snider and Hodges.

Bill Virdon, 30, hit a home run in the eighth inning, scoring Pee Wee Reese and Duke Snider.

Red Schoendienst, 30, hit a home run in the eighth inning, scoring Virdon and Reese.

Johnny Podres, 23, pitched a complete game, allowing 12 hits and 4 runs, but striking out 10 batters.

Gil Hodges, 33, hit a home run in the second inning, scoring Duke Snider and Roy Campanella.

Duke Snider, 32, hit a home run in the third inning, scoring Hodges and Campanella.

## Pirates Gain Fourth Straight Verdict, 5-4

PITTSBURGH, May 4 (AP)—The Pittsburgh Pirates, well on their way to becoming the "Nuisance Kids" of the National League, edged the Milwaukee Braves 5-4 tonight for their fourth consecutive victory.

The Braves almost pulled the game out of the fire in the ninth, scoring one run. A sensational catch by rookie Roberto Clemente saved the day, Clemente leaping high in front of the right field stands to take George Crowe's long drive. The play came with Andy Pafo on third and Hank Aaron on second with two men out.

Crafty Maxie Surkont was credited with his second win against three defeats although relieved by Bob Friend in the ninth after giving up an infield single and a walk with one away. Friend got one man on a force but gave up a single to Aaron, Clemente then threw wild, putting Braves on second and third. Then Crowe made his bid to win the game but Clemente more than made up for his error.

The defeat was charged to starter Lew Burdette who was relieved by Dave Jolly in the fifth.

The Braves outbait the Pirates 10-7 but couldn't get the safeties when needed most.

Manager Charley Grimm benched two regulars, catcher Del Crandall and first baseman Joe Adcock, but even that strategy failed for the slumping Braves.

The Freese brothers got the Pirates started in their big inning. Third baseman George singled to left to open the stanza and scored as his brother, second baseman Gene, hit his first major league homer. The shaken Burdette walked Surkont and that brought Jolly to the mound.

Roberto Clemente sacrificed Surkont to second, Dick Groat then tied the game with a double, scoring Surkont. Jolly settled down to get Felipe Montemayor on a fly but then walked Jack Shepard. Dale Long followed with a two-run triple.

MILWAUKEE, PITTSBURGH, May 4 (AP)—The Pirates won their fourth straight game, scoring 5 runs, while the Milwaukee Braves scored 4, in a game played at Forbes Field.

Roberto Clemente, 23, pitched a complete game, allowing 12 hits and 4 runs, but striking out 10 batters.

Gil Hodges, 33, hit a home run in the second inning, scoring Duke Snider and Roy Campanella.

Duke Snider, 32, hit a home run in the third inning, scoring Hodges and Campanella.

Roy Campanella, 31, hit a home run in the third inning, scoring Snider and Hodges.

Bill Virdon, 30, hit a home run in the eighth inning, scoring Pee Wee Reese and Duke Snider.

Red Schoendienst, 30, hit a home run in the eighth inning, scoring Virdon and Reese.

Johnny Podres, 23, pitched a complete game, allowing 12 hits and 4 runs, but striking out 10 batters.

Gil Hodges, 33, hit a home run in the second inning, scoring Duke Snider and Roy Campanella.

Duke Snider, 32, hit a home run in the third inning, scoring Hodges and Campanella.

Roy Campanella, 31, hit a home run in the third inning, scoring Snider and Hodges.

Bill Virdon, 30, hit a home run in the eighth inning, scoring Pee Wee Reese and Duke Snider.

Red Schoendienst, 30, hit a home run in the eighth inning, scoring Virdon and Reese.

## Lockman's Homer In Eleventh Gives Giants Nod Over Cubs

NEW YORK, May 4 (AP)—Manager Leo Durocher's shakeup of the New York Giants lineup paid off in the 11th inning today with a 4-3 victory over the surprising Chicago Cubs in a game marked by a notable collection of first performances.

## Yanks Explode To Crush Indians, 11-5

CLEVELAND, May 4 (AP)—The New York Yankees rallied for seven runs in the last two innings to defeat the Cleveland Indians 11-5 tonight, spoiling Bob Lemon's bid for his sixth straight pitching victory and ending the Tribe's five-game winning streak.

The Yankees chased Lemon, who had won his first five starts, in the eighth inning when they scored four runs on three singles and three walks. When Lemon walked Gil McDougald with the bases full, he was replaced on the mound by Ray Narleski, Phil Rizzuto singled off Narleski, scoring two more.

The Yankees added three more in the ninth on a homer by Hank Bauer, his fifth of the season, two singles, a walk and a wild pitch.

Yogi Berra homered for the Yanks in the third inning, and Dave Pope hit a two-run homer in the second for the Indians.

Lemon was tagged for three runs in the first inning on singles by Bauer, Berra and Joe Collins, a walk to Mickey Mantle and a wild pitch.

The Indians scored two in the second on Pope's homer with Ralph Kiner, who had walked, on base.

Berra's homer in the third gave the Yankees a 4-2 lead. But the Indians came back in the last of the third for three runs as Yankee starter Whitey Ford hit a streak of wildness.

Bob Grim replaced Ford and was rapped for a two-run pinch single by Dale Mitchell, putting the Indians ahead 5-4.

CLEVELAND, NEW YORK, May 4 (AP)—The Yankees won their fourth straight game, scoring 11 runs, while the Cleveland Indians scored 5, in a game played at Yankee Stadium.

Roberto Clemente, 23, pitched a complete game, allowing 12 hits and 4 runs, but striking out 10 batters.

Gil Hodges, 33, hit a home run in the second inning, scoring Duke Snider and Roy Campanella.

Duke Snider, 32, hit a home run in the third inning, scoring Hodges and Campanella.

Roy Campanella, 31, hit a home run in the third inning, scoring Snider and Hodges.

Bill Virdon, 30, hit a home run in the eighth inning, scoring Pee Wee Reese and Duke Snider.

Red Schoendienst, 30, hit a home run in the eighth inning, scoring Virdon and Reese.

Johnny Podres, 23, pitched a complete game, allowing 12 hits and 4 runs, but striking out 10 batters.

Gil Hodges, 33, hit a home run in the second inning, scoring Duke Snider and Roy Campanella.

Duke Snider, 32, hit a home run in the third inning, scoring Hodges and Campanella.

Roy Campanella, 31, hit a home run in the third inning, scoring Snider and Hodges.

Bill Virdon, 30, hit a home run in the eighth inning, scoring Pee Wee Reese and Duke Snider.

## Robinson Defeats Panter

DETROIT, May 4 (AP)—Sugar Ray Robinson, staggered in the first round, recovered and was in complete command the rest of the way tonight in punching out a unanimous 10-round decision over Garth Panter of Salt Lake City. Robinson weighed 163½, and Panter 161½, for the non-television bout before 4,673 customers in Olympia Stadium.

There were no knockdowns, although both fighters were rocked by right hands to the head.

In the first minute of the fight, Panter, a 24-year-old father of five children, surprised Robinson with a stinging right to the head. Robinson wobbled for a moment and regained his balance by clutching the middle strand of the ropes.

From then on, however, the sleek New Yorker had virtually no trouble in recording the fourth victory in five starts in a comeback campaign which he hopes will eventually lead to a title shot against middleweight champion Bobo Olson.

The officials were firmly convinced of Robinson's superiority.

## Warriorettes Top Drexel In Archery

PHILADELPHIA—Delores Koman, with an individual score of 381, led East Stroudsburg State Teachers College to a 1011-628 victory over Drexel Institute in archery here yesterday.

Other ESSTC scores were Florence Brizay, 253; Patricia Sypek, 204, and Mary Jane Stimmel, 177. Drexel scores included Carol Bohrow, 193; Pat Patterson, 175; Marty Andis, 164, and Beverly Lowry, 126.

## Jackson School Wins

LEEDERS—Jackson Township outdistanced Chestnut Hill in a grade school baseball game yesterday, here on the former's home field, 19-13.

Eight runs in the seventh inning turned the tide in favor of Jackson and enabled the host club to withstand a seven-run outburst in the top of the eighth and final inning by Chestnut Hill.

Gerald Smith, Chestnut Hill pitcher, enjoyed a perfect day at the plate with a single, double, and two home runs to lead all batters in a vain attempt to turn the tide in favor of Coach Bill Freer's charges.

Jackson bunched out 16 hits and Chestnut Hill 12.

Jackson (19), CHESTNUT HILL (12), May 4 (AP)—The Jackson Township Warriors won their fourth straight game, scoring 19 runs, while the Chestnut Hill Bulldogs scored 13, in a game played at Jackson Park.

Gerald Smith, 23, pitched a complete game, allowing 12 hits and 4 runs, but striking out 10 batters.

Gil Hodges, 33, hit a home run in the second inning, scoring Duke Snider and Roy Campanella.

Duke Snider, 32, hit a home run in the third inning, scoring Hodges and Campanella.

# Shawnee Invitation Tournament Opens Today

## Large Field Shoots For Top Flight

SHAWNEE - ON - DELAWARE — Eight local golfers will be in the field of 150 attempting to qualify for the 32nd annual Shawnee Invitation Tournament to be held here today through Sunday.

The qualifying round will be an all-day affair today, with each of the entries playing at their leisure. But first round play, according to schedule, gets underway tomorrow and runs through Sunday with one round to be played on each of the three days.

This tournament features match play, with the 16 local qualifiers meeting in the championship flight, while the remainder of the field campaigns in lesser flights.

Howard Everett, who has campaigned out of Shawnee-on-Delaware for the past couple of years, is the defending title-holder in the tournament this year. Everett, one of the nation's outstanding amateur golfers, won the tournament last season after falling seven times in a crack at the crown.

Les Fish, well known amateur from Phillipsburg, N. J., captured medalist honors last year with a 73 score and will attempt to repeat his triumph today.

In addition to Everett the other seven local entries are Marty Baldwin and Grant Nitraser, Stroudsburg; Larry Ross and Bill Galloway, East Stroudsburg, and Frank Patterson, Gordon Savage and Dave Leventritt, Shawnee.

Shawnee's championship 6,817-yard par 72 layout has been dressed up for the first big event of the year and features a completely remodeled green on the seventh hole as one of its newest attractions.

Frank "Pooch" Allen, Pittston, is one of two defending champions in this year's field. Ellis Taylor, Wilmington, Del., won the crown in 1953, while Olin Cerrochi, Bay-side, L. I., won in 1952. Tom Robbins, Larchmont, N. Y., was first in 1951.

## Nashua Choice Of Trainers

By Orlo Robertson  
LOUISVILLE, Ky., May 4 (AP)—Without exception and without hesitation, the trainers of the leading Kentucky Derby candidates today named Nashua as the horse to beat when nine, and perhaps 10, 3-year-olds battle it out in the \$125,000 added turf classic at Churchill Downs Saturday.

And seven trainers participating in The Associated Press poll were almost unanimous in the selection of Summer Tan to finish second and Swaps third. Here and there, however, a few hedged on whether it'll be Mrs. John W. Galbreath's colors on Summer Tan or the silks of Rex Ellsworth on Swaps in the runner-up spot at the end of the mile and one-quarter.

Post time is 4:30 p. m. EST with the broadcast and television scheduled for 4:15 to 4:45 (CBS).

Nashua remained the firm choice at 4 to 5 to register the fourth Derby victory for the Belair stud. However, it would be the first for the present master of the stable, 24-year old William Woodward Jr. Gallant Fox, Omaha and Johnstown won in the famous white and red polka dot silks when Woodward's father was alive.

## Dodgers Take Stand On TV

BROOKLYN, May 4 (AP)—The Brooklyn Dodgers are considering the adoption of subscription television of their baseball games if pay-as-you-go TV is approved. President Walter O'Malley said today.

The Federal Communications Commission will open hearings June 9 on whether subscription television is to be approved.

"I've always been in favor of subscription television," O'Malley said. "When and if it comes, the Dodgers will be very much interested in its potentialities. I'm satisfied the public is ready for it."

O'Malley said he hoped the price of watching a Dodger ball game would be about 50 cents—not more than the lowest-priced seat in the ball park.

## Bosox Option Catcher

DETROIT, May 4 (AP)—Rookie catcher Joe Buck today was optioned to Louisville by the Boston Red Sox.

## ESSTC Sluggers Host To Millersville

EAST STROUDSBURG State Teachers College will go in search of its third straight and fourth baseball verdict of the current season today when Millersville Teachers make an appearance on the Normal Hill field. The first pitch is slated to take place at 3 p. m.

Coch George Ockershausen is expected to name Jim Pasaro, ace right hander from Allentown, as his starting hurler for

today's encounter, in which the Warriors are anxious to avenge a double setback in basketball at the hands of Millersville.

Hard hitting Bob Hartman will anchor the club at first base, while peppery Dave Smith handles the second base duties. Denny Roth will be at shortstop; Carmen Martucci, third base; Walt "Skeets" Jubinski, left field; Charley Shaw, center field, and Jack Newell, former Stroudsburg

High star, will handle the right field duties.

Guido DiTorre will be the starting catcher for the Warriors today.

If Pasaro should falter enroute, Ockershausen will have such tested hurlers as Bryan Hartman, Ralph Reifinger, Bill Cramp, Jack Smith and Jim Oplinger, the latter of Northampton High fame, available.

## Empire Box Wins Over Dinermen, 11-2

ESSTC opened the present campaign with a 17-12 verdict over Lincoln University, then suffered its only defeat by an 8-0 count at the hands of Panzer.

The Warriors bounced back with an 11-10 nod over Kutztown and a 7-2 verdict over Trenton on Tuesday of this week.

ESSTC is also scheduled to see action on its home field on Saturday, when Wilkes College puts in an appearance at 2 p. m.

The remainder of the ESSTC singles squad will probably be made up of Don Toth, Lee Hill, John Wood, Karl Mahle and Mike Soltys.

ESSTC will answer the doubles call with teams of Toth and Mahle, Lee and Ted Roscher and Charley Mitke and Dale Booth.

The Warriors opened the present campaign by losing to Rider, but since that time have scored successive victories over Panzer, Kutztown and Trenton without further damage.

ESSTC returns to the tennis wars tomorrow when the Normal Hill netmen tangle with Brooklyn Poly, in Brooklyn, at 3:45 p. m.

## Bowling Captains To Hold Meeting

## Bangor Evens League Record With Nod Over Wilson Boro

WILSON BOROUGH—Bangor High evens its baseball record in the Lehigh-Northampton League yesterday by banging out a 3-2 victory over Wilson Borough, here on the losing contingent's home field.

The win was the second in four outings for the Slayers, while Wilson has won one and lost three at the present time.

Gary Strauss, junior southpaw, outpitched Wilson's Ronnie Foulk, a freshman, in a tight mound duel that found Bangor cracking out seven hits and Wilson five. Neither pitcher gave up a walk.

Wilson, coached by Carlton Berger, opened with two runs in the first frame, but Strauss was virtually untouchable the remainder of the distance as the home team failed to dent the plate again all afternoon.

Glen Keim doubled with one out and Ed Van Horn went down on strikes for the second out. Cal Vogel singled to left to send Keim home and then raced to second on the throw to the plate. Strauss cut the throw off and tried to nail Vogel at second, but he threw the ball into center field and the Wilson outfielder raced home to score.

Bangor evened matters with two runs in the second. Duane Miller was hit by a pitched ball and went to second on a wild pitch. "Jabby" Williams singled to left to put runners on first and second. Williams stole second a moment later and both runners scored on a single to left-center by Jack Stenlake.

The Slayers played what proved to be the winning run in the sixth on a double to left center by Williams and a single through the hole at third and short by Jack Stenlake.

Bangor returns to the Lehigh-Northampton League diamond war today when the Slayers invade Fountain Hill.

## Hogan Favored At Fort Worth

FORT WORTH, Tex., May 4 (AP)—Most everybody was agreed today that Ben Hogan will win the \$25,000 Colonial National Invitation golf tournament opening tomorrow but it'll take to do it.

Hogan, who has shot sub-par rounds of 66, 69 and 67 in practice, then complained about his putting, predicted 281 would win first money. That would be one over par for the 7,035-yard Colonial Country Club course.

The golfers and writers think Hogan's chief competition will come from Cary Middlecoff, the Memphis dentist who won the Masters and who is a former Colonial champion, and Mike Souchak.

Sports Editor

EAST STROUDSBURG High School's baseball team, currently pacing the Lehigh-Northampton League with a record of three victories and no defeats, stacks up against one of the toughest clubs it will meet all season when Coplay invades East Stroudsburg Play-ground tomorrow. Coplay, like the Cavaliers, is undefeated against circuit opposition and has won on two occasions. This contest is undoubtedly the key game for both clubs.

Two of the finest pitchers in the league will square off against each other, as Ron Rice, of no-hit, no-run fame, toes the rubber for Coplay and Bill Sommers, veteran right hander, handles the mound duties for the Cavaliers. The Cavaliers have been hitting the ball well of late, bunting their hits when needed most, but each of tomorrow's rivals will stake their future on defense and solid pitching.

East Stroudsburg has used its defense to the utmost thus far in the campaign, winning all three of its games by narrow margins. The Cavaliers upended Parkland, 2-0, then outlasted Nazareth, 3-2, and on Tuesday were forced to scramble for an 8-7 nod over Pen Argyl. Charley, "Snook" Litts singled Sommers home with the winning run in the visiting half of the seventh inning. The Cavaliers lost one baseball shoe on N. Courtland St. Tuesday.

Stroudsburg, after being held to one run in the last 14 innings, broke out in a rash of base hits on Tuesday and finished on the long end of a 12-8 tabulation against Slatington, on the latter's home field. The Mountaineers banged out 11 hits, more than they totaled in both of their contests prior to Tuesday. The club came up with a bad day at the plate, but the hitting power more than made up for seven errors. The load of safeties was good news to Coach Jerry Stulgaitis and company. The Mountaineers meet Lehigh at Gordon Giffels Field tomorrow.

East Stroudsburg State Teachers College had a great day on Tuesday, winning a pair of tennis matches and a baseball game. Jack Smith, former Pen Argyl High mound star, worked the first six innings for the Warriors and set Trenton down without a run. The only score by the New Jersey contingent came off Northampton's Jim Oplinger in the eighth inning when Don Steel homered with one mate aboard. ESSTC tangles with Millersville today and Wilkes on Saturday. Those people who witnessed the game are still talking about a brilliant catch turned in by Charley Shaw in center field, with two outs and the sacks full of Trentonians.

Umpire Murphy, who worked the bases in the ESSTC-Trenton baseball battle on Tuesday, graduated from ESSTC when it was a Normal School back in 1919. Nancy Noll, number one singles player on the girls' tennis squad from ESSTC will play on the men's net squad today because Millersville also features a girl on its men's squad. Nancy has been chosen to face the visiting girl who will reportedly play in the number three or four singles spot.

Latest figures on Harry Warner, big first baseman from Reeders, is that he's hitting an even .300 for Jacksonville, of the class "A" South Atlantic League. According to statistics available, including games of Tuesday, April 26, Harry had appeared in 13 contests, batted 56 times, banged out 15 hits. The hit total includes one home run, two triples, three doubles and 10 runs batted in. In the game of Wednesday, April 27, Warner blasted a double and triple in four trips to the plate, made eight putouts and one assist.

Harry received a picture and complimentary write up in the Jacksonville Journal for his work on April 27, even though Macon defeated Jacksonville, 8-5. Jacksonville, the defending champion, is currently leading the league. Jerry Fritz and Tom Rogers, former members of the Saylorburg entry in the Pocono Mountains League, recently saw Warner in action at Augusta, Ga., while they were on a weekend pass from their Army base. Warner tripled in four trips to the plate, scored one run and made one brilliant fielding play as Jacksonville scored a 4-3 verdict over Augusta.

Company "G," Monroe County's National Guard outfit, won the battalion basketball championship during the past campaign with a perfect record of 10 victories and no defeats. Jim Frailey was the team's coach and Bob Felker the captain.

## Outstanding Woman Golf Pro To Put On Clinic, Play At Glen Brook Course This Month

BETTY HICKS, one of the true veterans in the women's division of professional golf, will put on an exhibition at Glen Brook Country Club on Friday, May 20, it was announced yesterday by Tony Midiri, head pro at the local course.

The visiting professional will put on a clinic and then play nine holes of golf with some of the outstanding players at the local club. The clinic is scheduled to get underway at 5 p. m.

Betty Hicks

Miss Hicks, currently on the comeback trail, won over \$7,000 last year for sixth place among the money winners.

Two runner-up spots, a tie for second and two third place finishes assisted the veteran in building her bank account.

Betty began the 1954 golf campaign with a tie for second in the Sea Island Open with a 54-hole score of 232. Continuing to place in the money winning column, Miss Hicks took third place with a 229 in the "Babe" Zaharias Open. Following an example of fine match play ability during the Western Open, where she was semi-finalist, the diminutive five-footer was runner-up to Mrs. Zaharias in the National Open with a 303.

Not a stranger by any means to women's competitive golf, the former National Amateur champion turned professional in October, 1941, Betty was in on the ground floor of the original Women's Professional Golf Association, serving as the first president from 1944 to 1946. At present, the talented Miss Hicks is tournament chairman of the Ladies' Professional Golf Association, a post she assumed in April of 1954.

As tournament chairman, Betty's duties are many and varied. It is her job to contact, schedule and contract for all tournaments and events on the women's golf circuit. This year, alone, Betty has arranged 24 tournaments with a total purse of more than \$140,000.

Miss Hicks campaigned on the tournament circuit last winter and was a constant finisher among the top money winners to put her among the top active women golfers in the world.

## Stroudsburg Pair Second In Tourney

NAZARETH — Helen and Sam Zaccaro, Stroudsburg, finished second in the eighth annual Mixed Doubles Bowling Tournament held here at the Jacksonian Club last Sunday.

The Zaccaros finished with a handicap score of 1252 pins.

Other Stroudsburg and East Stroudsburg winners were Mildred Cooke and Pete Nace who rolled 1201 for 12th place and Lena and Ted Dippie came in 33rd with a final tabulation of 1171. Jean Treible and Jim Harmon Jr. were in the number 40 spot with 1167, and Ruth Mader and Pete Murphy were 51st with an 1155 score.

A total of 262 couples took part in the tournament.

The tournament prize fund amounted to \$943.20.

## Soviet Union Makes Olympic Bid

LONDON, May 4 (AP)—The Soviet Union, in an apparent bid for the 1960 or 1964 Olympics, announced today it is spending 250 million rubles (62 million dollars) this year to expand athletic facilities in Moscow.

S. V. Pushnov, chairman of the Moscow city committee on physical culture and sport, in a Moscow radio broadcast heard here said nothing specifically about trying to bring the games to the Soviet Union, but the Russians have been privately talking about it since the Olympic committee meeting in Athens last May.

## Hot Rod Racer Dies

JACKSON, Mich., May 4 (AP)—David Lee Wofjusk, 25, of Jackson, who was injured in an accident during a hot rod race at Hicksville, Ohio, Friday night, died last night at University Hospital, Ann Arbor.

## Little League Meeting Set

TANNERSVILLE—A community meeting of all those interested in Little League baseball will be held here at the Pocono Township Fire House today at 7:30 p. m.

Those currently backing the Tannersville entry in the Pocono Little League are seeking assistance in the project and are hopeful that parents of all boys playing in the league will attend tonight's meeting.

Men now working on the community's first Little League venture are also hopeful that assistance can be found for work on the proposed Little League field.

## State Craft Fair Arranged For July 29-31 At College;

PENNSYLVANIA'S outstanding craftsmen will demonstrate their skills and show their products at the eighth annual State Craft Fair, July 29-31 on the campus of State Teachers College in East Stroudsburg.

Sponsored by the Pennsylvania Guild of Craftsmen, which has 1,000 members in 15 communities, the Craft Fair has become one of Pennsylvania's most colorful summer events, drawing thousands of fascinated visitors.

Men and women excelling in the handicrafts will give daily demonstrations and offer their works in these specialties:

Pottery, woodworking, pewter and tinware, jewelry in silver and copper, weaving, stenciling and hand-blocked fabrics, sculpture, leather printing, tin painting, wrought iron, gem cutting, towelware and embroidery.

This will be the first year the fair is held in the Poconos. Mrs. Mary Bowles, an expert in silver jewelry and enamelware, a member of the Philadelphia Chapter, is fair chairman.

John H. Weikel, of Residence Park, Palmerton, a potter who is state president, expressed the hope that the fair in its new location will attract many new friends for the handicrafts, as well as the thousands who have attended other craft fairs in the past seven years.

Chapters of the guild are located in Philadelphia, Harrisburg, Allentown, Lancaster, Reading, Allentown, York, Edinboro, Erie, Lebanon, Waynesboro, Pottstown, Carlisle, Williamsport and Doylestown.

ROGER M. BLOUGH (above), vice chairman of the board of the United States Steel Corp., was elected to succeed Benjamin F. Fairless, who retired on his 65th birthday with a "sense of deep personal regret," will remain as a director and member of the finance committee of the corporation.

The first railroad locomotive to be built in the United States, the Peter Cooper, was first operated in 1830.

THE BRIDGE-TOLL Commission grounds have been beautified by hundreds of daffodils which bloom along the bank back of the office buildings. They are planted among blooming myrtle and at the top of the bank a large clump of lavender iris heightens the effect. A large bed of tulips is on the other side of the building.

At the Presbyterian Church service Sunday morning, Mr. and Mrs. Lewis Ace and young son, Robert, were received into church membership by Rev. Luther Markin, pastor of the church.

Mr. and Mrs. Ernest Battenberg, of Moscow, Miss Helen Battenberg, of Jermyn, were recent callers at the home of Mrs. H. W. Brodhead. Another group of guests was Miss H. Florence Cooke and several friends from Hawley, Pa.

Mr. and Mrs. LeRoy Kaiser have their sixth wedding anniversary Saturday, May 7. Mr. and Mrs. Herman Snyder celebrate their 18th anniversary Sunday, May 8.

## Pravda Raps Reds For Lack Of Production

MOSCOW, May 4 (AP)—Pravda today delivered a severely critical drubbing to a wide range of Soviet government and Communist party organizations in a stern demand for more production of everything from electric power to potatoes.

The official Communist party newspaper, in a markedly critical mood, devoted nearly a quarter of its Wednesday morning edition to condemning inefficiency on farms, in industry and in government, and to setting higher targets for agricultural and industrial output.

One critical article, taking up six columns, struck at the Ministry of the Coal Industry and the State Planning Commission for backwardness in development of open face coal mining in the Kazakh Republic of Central Asia. Still another article condemned many factories for neglecting laboratory work in view of the strong Soviet drive for more heavy industry production.

Some Western observers in the Soviet capital said they found the articles highly interesting and significant, particularly in view of a suspicion that the big farm production drive sparked by N.S. Khrushchev, first secretary of the Communist party, has not been going satisfactorily.

It also seemed significant that the State Planning Commission was singled out for criticism. Its head is Maxim Saburov, considered a protégé of deposed Premier Georgi Malenkov. There have been indications that his hold on his job was insecure in view of his connection with Malenkov.

Malenkov's own electric power industry apparently also came in for criticism. He has been in charge of it since February, when he was deposed and condemned himself as a failure at the head of the government. The new criticism might be a step in the gradual eclipse of the apparently still powerful Malenkov, who now is an ordinary deputy premier.

Also interesting to Western observers here was the fact that while criticizing agriculture for inefficiency, Pravda at the same time drastically raised production targets. The paper's lead editorial on grain production and agriculture in general contended that the most advanced collective farms of the Soviet Union should be able to fulfill this year the plan targets originally set for 1960. It added

HANK GREENBERG, general manager of the Cleveland Indians, is shown with his wife, the former Carol Gimbel, in happier days. Mrs. Greenberg has filed suit for divorce against the former home run star of the Detroit Tigers, charging extreme cruelty and gross neglect. They were married Feb. 18, 1946 and have three children. Greenberg told reporters that he was "terribly distressed" at the suit.

## Police Report 28 Arrests

THE EAST Stroudsburg police department made 28 arrests and collected \$200 in fines in April. It was revealed during the monthly council meeting Tuesday night.

The arrests featured 15 for motor violations, while the other 13 were on drunk and disorderly charges. Three persons were committed to jail during the month. A total of \$120 in fines was derived from the motor violations. This amount is divided into \$95 for the borough and \$25 for the state. The drunk and disorderly fines brought in \$80 to the borough.

that the medium collectives could fulfill 1960 targets by the end of 1956, and even "weak collectives" should do the same by 1957.

## 5 BASIC REASONS FOR PONTIAC'S RECORD-BREAKING SALES

### 1. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS 200 HORSEPOWER

If you delight in flashing performance, here's all the reason you need to join the record-breaking thousands who are swinging to Pontiac. The 200 horsepower delivered by the economical Strato-Streak V-8 with the four-barrel carburetor, optional at extra cost, is the highest power ever delivered by a car at Pontiac's price—higher than that of cars costing considerably more. For thrift and thrills it's Pontiac all the way!

### 2. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS LONG WHEELBASE

Model for model, Pontiac has a longer wheelbase than any car at its price—122" or 124", depending on whether you select an 860, 870, or Star Chief model. That's size where it really counts—and it's important because a long wheelbase is the reason for Pontiac's smooth, road-leveling ride and the roomy comfort of Pontiac's large, luxurious Body by Fisher—advantages that put Pontiac on a level with far costlier cars for sheer riding pleasure.

### 3. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS LUXURY-CAR STABILITY

The big, husky Pontiac with rugged X-member frame gives you the safe, solid feel at cruising speeds that motorists have formerly paid high prices to enjoy. And it links this road-holding comfort with ease of control like that of costly sports cars. You travel in superlative comfort in a Pontiac for the lowest price ever placed on such big-car stability.

### 4. PONTIAC'S DISTINCTIVE BEAUTY IS UNMATCHED AT ANY PRICE

Pontiac's style and beauty are a perfect match for its colorful performance. Future-fashioned lines, Vogue Two-Toning and Twin-Streaked hood provide dash and glamour unsurpassed by any other car at any price.

### 5. You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes

## Report Given On Key Club Convention

DAN NIEDORF, secretary of the Stroudsburg High School Key Club, sponsored by the Stroudsburg Kiwanis Club, gave a brief report on the Pennsylvania District convention held at Pittsburgh April 22-24 before the Kiwanis Club at the Penn-Stroud Hotel yesterday afternoon.

Presented by Alfred W. Munson, school principal and program chairman, Niedorf gave highlights of the convention which he and three other local Key Clubbers attended.

The other three were John Hillier, William Fegley and Michael Cohen. The trio was unable to attend yesterday's meeting being tied up in the annual mathematics contest at the American Legion home in East Stroudsburg.

Niedorf commended Detroit A. Hansen, Kiwanis president, and Mrs. Hansen who chaperoned the kids to the convention, for the good time they had enjoyed.

The Stroudsburg delegates opposed a resolution presented at the convention providing that youth of 18 years and upwards, being old enough to serve in the armed forces, should be allowed to vote. One of the Stroudsburg kids spoke and declared 18-year-olds were old enough to fight, but didn't have sufficient knowledge to vote. The resolution was defeated, he said.

Kiwanian Bob Weichel is arranging for a series of golf matches with Kiwanians from Scranton, Easton and Bethlehem club members this summer, it was announced. Local members were asked to contact him to participate.

Dr. Earl Willhoite spoke of the youth music workshop to be inaugurated by the Waring Enterprises the latter part of July for a 10-day session. The Stroudsburg Kiwanis

## Agreements For Peaceful Atomic Energy Use Point Up Encouraging Prospects For Future

By J. M. Roberts  
Associated Press News Analyst  
The growing number of international agreements for development of peaceful uses for the atom suggests a snowballing motion toward the atomic future.

The United States has just signed an agreement to lease uranium to Turkey and provide the technical assistance needed for building and operating a reactor there.

This agreement is merely the

### Support Of U. N. Urged By Lodge

WASHINGTON, May 4 (AP)—Henry Cabot Lodge Jr., has called for American support of the U. N. even though the U. N. "has not yet found a cure for war."

Lodge, chief U. S. delegate to the world organization, said "we do not destroy the hospital because it has not yet found a cure for cancer; we try to make it better."

He testified before a Senate foreign relations subcommittee which is considering the American stand on proposed changes in the U. N. charter.

Club will sponsor two young people, one each from Stroudsburg and East Stroudsburg High Schools. Eugene Martin told of the initial steps for the reopening of the Babe Ruth baseball league, also a Kiwanis project for the coming season with 48 boys registered this week. Practice sessions are being held.

President Hansen welcomed H. L. Keiper and Robert A. Bixler back from spending the winter in Florida, also William Shook, a guest.

The music period was in charge of George T. Robinson, with Dr. Willhoite at the piano.

first of quite a number expected to go through soon, a number which probably will be greatly increased after this summer's conference of experts on the best ways of exploiting the Eisenhower-United Nations proposal.

Two smaller nations — Holland and Norway — already are cooperating in the operation of a reactor in Holland.

They and ten other European nations also are cooperating, under the auspices of the United Nations, in construction of a reactor in Switzerland as a center for nuclear research. This plant is well under way.

Norway announced March 21 that she was working on an atomic-powered merchant ship which would demonstrate the possibilities in the ports of the world, and a month later President Eisenhower announced a similar project for the United States.

The United States is also trying to develop portable plants which could be leased or loaned to power-hungry spots, plants which might

even supply the power for building other permanent plants, or for other industrial construction in underdeveloped areas.

Great Britain has progressed farther than anyone in the development and planning of atomic power plants to fit a particular economic situation, since she finds the exploitation of her coal veins increasingly uneconomical.

All of this points to something like a "crash" program to tie the free world's health and economy to the atom years before it has been anticipated.

Ten years ago nuclear fission meant, to everyone except to a few researchers, merely a terrific explosion. Now the use of isotopes in all sorts of industrial and medical research is becoming commonplace.

Uranium's general use for production of electric power, while at the same time continuing to produce plutonium for other purposes, appears to depend only on decreasing its cost and increasing its availability as demand decreases the availability of other sources.

# Stocks Show Mixed Trend At Close

NEW YORK, May 4 (AP)—The stock market wavered today between a lower and a higher trend, but at the close it was slightly higher.

Most price changes were quite narrow, but the range ran from around 5 points lower to 2 points higher.

Several major divisions changed their direction with disconcerting frequency. That included the steel which closed mixed after showing a higher tendency; aircraft, which ended higher after sinking off some early pressure; and the coppers, which started higher, swung down, and then closed higher.

Railroads were a key group. They started higher and then turned lower with some emphasis, but they finally gathered strength and closed higher.

The Associated Press average of 60 stocks today gained 20 cents. It was down \$1.80 yesterday. All three components of the average were up 20 cents each.

There were a few more gainers than losers in the list—500 up and 422 down—out of the 1,197 issues traded. For the second straight session, there were more new lows than new highs for the year, 42 as against 32.

Volume was moderate at 2,200,000 shares. That compares with 2,630,000 shares traded yesterday. The American Stock Exchange was mixed on volume of 650,000 shares. Yesterday's business amounted to 720,000 shares.

The bond market was narrowly mixed. U. S. government issues in the over the counter market were steady.

The classic Greek theater at Syracuse, Sicily, where Pindar is reputed to have sung his odes is again being used to stage classic Greek tragedies.

THE DEFENSE DEPARTMENT has released these execution pictures of German and Italian spies, captured in the closing days of World War II. The body (left) of Wilhelm Schmidt, a Nazi, sags from a post in Herbesthal, Belgium, after bullets atoned for his wartime activities. At right, Idalo Palesse faces his sentence in Santa Maria, Italy, on April 20, 1944, with a priest trying to comfort him. The photos, reprinted from the magazine "People Today," show revenge for crimes which included murder of a U. S. airman.

# Strikes Plague Britain With Election Near

LONDON, May 4 (AP)—Wildcat strikes against two nationalized industries—coal and transport—harassed Britain today with a general election only three weeks away. Both sets of strikers demanded more money.

Sixty thousand miners have been made idle in 33 pits in the vast Yorkshire coal fields by an unofficial strike of 5,600 fillers—men who feed the conveyor belts.

A Communist-fomented strike halted half of London's 5,744 buses during the morning rush hour, but by afternoon half of the 15,000 strikers were back on the job and the return to work movement was continuing.

The stoppages reflected trade union unrest over rising living costs. Although the Conservative government statistics show wages have risen as fast as the cost of living, many laborites argue that the benefits of the boom have been spread unevenly, with the investor classes getting a proportionately greater share.

Britain votes May 26.

About 47 per cent of U. S. fruits and vegetables move to market by truck.
